Telephone conference meeting called to order by Lynne Ide at 5:05 PM.

Discussion/Planning for In-Person Worship

The vestry met to discuss the spring reopening of in-person worship scheduled for April 13, 2021. Due to an increase in Covid-19 cases in Connecticut and documentation of the four variants of Covid-19 in the state, members of the vestry voted to delay opening church for in-person worship. A new date was planned for the possible opening of in-person worship to take place on May 16th, 2021.

When in-person worship services resume, Zoom services would still be provided. Rebecca Stearns, Lynne Ide and Donovan Reinwald will conduct a logistics meeting to review Covid-19 protocols to be put in place for before, during and after the service. Pam Abel offered to schedule individuals to serve as the officiant, lector/intercessor, homily preacher and zoom host.

Lynne Ide will inform Fr. Brian Blayer that the vestry has decided to move the opening date for in-person worship from April 13, 2021 to May 16, 2021.

Meeting adjourned at 5:47 PM.

Respectfully submitted,

Pam Abel
